  - Calibration Ph or ORP
  - On, off and overfeed times
  - Alarm points
  - 4 pagers (with modem option)
  - 2 passwords
  - Data recording (with modem or RS232 port and clock option)

Item No	Description	Price
12 18 02	Acu-trol 110	\$3785.00

### Options for 110 Controller

Item No	Description	Price
12 18 03	Modem, includes software	\$1276.25
12 18 04	RS232 communications port, includes software (works up to 300 feet)	\$369.25
12 18 05	Real time clock (for data logging)	\$369.25
12 18 11	Replacement Input PCB	\$685.55
12 18 06	AP1000 Serial (RS232 Port) to internet (software incl.)	\$1931.25
12 18 07	AP1100 Serial port to WiFi or internet (software incl.)	\$2446.25

### Model 600 Pool Controller for 1, 2 or 3 pools

**FEATURES:**

- Ph, ORP, Temp. controller
- Large 640 character touch screen display
- Flowcell c/w flowswitch included for each pool
- On-off or proportional feed
- Flowswitch feed lock-out
- Ph, OPR, Temp. or PPM calibration
- Acid or base feed
- Comes with 4 relays per pool
- Serial port included
- 14.4 K dual modem (optional)
- Software included - 1400 data recording points
- Advanced menu to allow customizing controller

Item No	Description	Price
12 18 08	AK 600 Ph, ORP, Temp for 1 pool	\$7805.00
12 18 09	AK 600 Ph, ORP, Temp for 2 pools	\$10,652.50
12 18 10	AK 600 Ph, ORP, Temp for 3 pools	\$13,488.85
12 18 14	Optional modem for AK 600	\$1276.25
12 18 06	AP1000 Serial (RS232 Port) to internet	\$1931.25
12 18 07	AP1100 Serial port to WiFi or internet	\$2446.25
