# Speedo Goggles

Speedo has been a leader in swim gear innovation since its beginning over 80 years ago, and that same innovative spirit is alive in Speedo products today. Tested by the world's greatest swimmers, and worn by them in countless Olympic medal-winning swims, Speedo goggles can help make you a winner too. A key partner of Swimming Natation Canada, Speedo contributes to the development and growth of amateur swimming throughout our country. The Speedo brand is clearly synonymous with excellence in both products and performance.
