**NOTE: If you are unsure of the amount of media for your filter, call with the model number and diameter and we will check the specs for you.**

## Bulkhead Union Wrench for Pac Fab 2" Fittings

This wrench is designed to fit the bulkhead or thru wall fittings of all Pac Fab filters with 2 inch pipe size fittings. The models are TR100, TR140, TR100C, and TR140C. Note, does not fit 1 1/2" or 3" pipe size fittings. The outside wrench, (with the long bar for a handle) locks onto the outside of the fitting, and the socket fits the large nut inside the filter to complete the tightening process. The socket requires a 1/2" ratchet to drive it which is not supplied. Made of anodized aluminium and stainless steel. Sold separately as the Outside Socket Wrench and the Inside Socket Wrench or as a set.

**Bulkhead Union Wrench - External**

**Bulkhead Union Wrench - Internal**

Item No	Description	Price
11 03 80	Bulkhead Union Wrench-Outside	\$195.00
11 03 81	Bulkhead Union Wrench-Inside	\$195.00
