

# STARTING PLATFORMS

## Varsity Deluxe Starting Platforms

Order the 18" model when your water depth is 4'-6" and the deck to water height is 6" or less. Order the 30" model when your water depth is 6' or more and the deck to water height is 12" or less. Height range is from 12" to 29.5". Top is 22" square. Anchor location is 26.5" back from pool edge. Anchors included with blocks. Also ideal blocks for bolt down applications such as bulkheads. Material is 1.90" OD tubing and 316L stainless steel. Shipped knocked down, some assembly required. Legs come full length and may require cutting to fit your application.

30" Deluxe Starting block

18" Deluxe Starting block
