

## Vortex Slide

The Vortex Slide by SR Smith is a custom product, available in 4 configurations. It can have a Ladder or Stairs, and Open or Closed Flumes. The flumes are rotomolded polyethylene mounted on a powder coated steel frame. It is available in 2 colors, Blue and Gray Granite. Overall height is 10' 7" and the runway is 19' long. The footprint on deck or the slide with ladder is a rectangle, 9' back from the pool edge and 9' parallel to the pool edge. For the slide with stairs it is 9' by 11'3". The weight limit is 325 pounds, and the recommended minimum water depth is 4' 6". A water delivery system is included. Assembly and anchoring will be required. More dimensional information and installation instructions available on request. **Sold FOB factory**, freight to your destination extra.
