

GABBY'S POOL DIAPERS

Diapers built for pools

The Health Department has recently started enforcing a policy of requiring waterproof containment of Swim Diapers. The requirements call for a pant to fit over a Swim Diaper with elastized waist and legs, which is made from a waterproof material.

Gabby's makes a waterproof swim pant designed to be worn over a pool diaper or regular diaper that fills this role.

The Gabby's Waterproof Pant is only available in white, priced at \$3.95 and comes in the sizes listed below.
