

STARTING PLATFORMS

When ordering new or replacement starting blocks to fit into existing anchors please provide the make, model and setback dimensions of the existing anchors.

Grizzly - Slip In/Slip Out by Spectrum

The Grizzly is very simple, strong and easy to install. It fits setbacks of 20" to 30" and heights up to 29 1/2". Excellent stability, designed to be as rock rigid as many dual post blocks. Fits most deck configurations. Slip anchor requires no wrench to remove. Top size is 23" x 25". **FOB Factory**

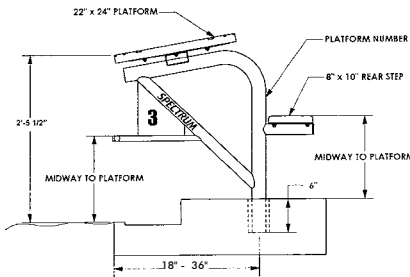

Model No	Description	1 to 4	5+
21655	Grizzly	\$2458.15	\$2282.60
21700	Anchor with Cover	\$494.48	\$459.16
