toll Free 1-800-663-5905

## Details required to provide a quote for a Thermal King Custom Blanket

(To help ensure blankets will fit your rollers, please let us know the width of your blanket storage rollers.)

- 1) Shape of pool - make changes to diagram above
- 2) Dimensions of pool, feet or meters \_\_\_\_\_
- 3) Measurements of each piece of pool blanket required, no overlap, ideally they butt up beside each other where they meet \_\_\_\_\_

---

Please return to your sales contact.

We will generate a quote with recommended qty of leads and loop ties
